This fan-fiction article, **School of the Thunderbird**, was written by [Witcher190](#). Adalwulf of Aedirn. Please do not edit this fiction without the writers' permission.

The **School of the Thunderbird** is a school for witches located on the Northern Coast of the [Western Continent](#). Founded by [Halsey "The Basan"](#), while accompanying Mibe de Cabot in his project to explore and map the so-called Northern Coast, along with some exiled witches from the [School of the Owl](#) who had emigrated to the [Western Continent](#), after their school had been reformed and had refused the help of the [School of the Fox](#). Eventually, after Halsey's disappearance, they would take over and reshape it in their own image, giving it its tribal look. Although they would maintain their goal of confronting small monsters that, despite their appearance, posed a threat to humanity.
